

BIRMINGHAM UNITED METHODIST CHURCH

Alpharetta, Georgia

TSW has completed design and construction documents for BUMC's new Sanctuary and Fellowship Hall Facilities. The 10,000 s.f. Worship Center seats 600 and faces into an enclosed Cloister. The two-level, 15,200 s.f. Fellowship building has a meeting hall and 12 classrooms. This \$5,500,000 facility began construction in early Spring 2004. TSW is also providing Master Planning of the 100-acre site as well as all landscape architectural design.
