

# LITCHFIELD SWIM CLUB & YACHT CLUB

Pawley's Island, South Carolina

The Swim Club serves the Island Estates and Marina Village areas of Litchfield. The facility features a 2,000 sq. ft. pool, grassed and paved terraces, two screened-porch pavilions, and an outdoor fireplace patio.

Architecturally, the building is classically styled, relying on both low country and french colonial traditions. TSW has provided all site, landscape, and architectural design.
