

# LITCHFIELD SWIM CLUB & YACHT CLUB

Pawleys Island, South Carolina

TUNNELL-SPANGLER-WALSH & ASSOCIATES

The Swim Club serves the Island Estates and Marina Village areas of Litchfield. The facility features a 2,000 square foot pool, grassed and paved terraces, two screened-porch pavilions, and an outdoor fireplace patio.

Architecturally, the building is classically styled, relying on both low country and french colonial traditions. TSW provided all site, landscape, and architectural design.
