

WOODSTOCK MAIN STREET

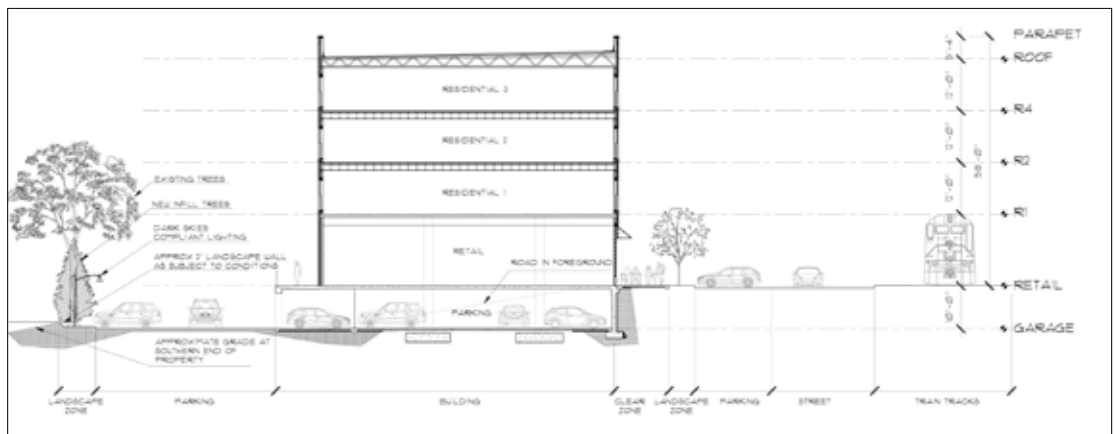

Woodstock, Georgia

TUNNELL-SPANGLER-WALSH & ASSOCIATES

The City of Woodstock, a suburban community of Atlanta, has been experiencing significant growth in their downtown core. TSW was retained to provide architectural services for the Woodstock Main Street mixed-use development that will serve as a gateway project into their downtown. The series of buildings contain ground floor retail with a combination of residential or office above. Overall, the project will provide 54 residential units and approximately 42,000 square feet of retail/office space.
