

Tunnell-Spangler-Walsh has been retained by the mountain community of Big Canoe in a variety of roles over several years, including assignments in Planning, Architecture, and Landscape Architecture. This primary / second-home community, one hour north of Atlanta, is characterized by its rugged terrain and rustic character. TSW's work there has included the following notable projects:

1. Land Planning for multiple development phases
2. Architectural design for renovation of the Sconti golf clubhouse and related buildings
3. Landscape design for the Canoe Lodge
4. Planning and design of the Wildcat Recreation Center (grounds, pool, and pavilion)
5. Landscape design for the Big Canoe Swim Club
6. Architectural design guidelines for Rustic Mountain Homes
7. Architectural design for the Big Canoe Fitness Center
