### **HELP SHAPE THE FUTURE OF THE HUDSON BRIDGE - JONESBORO ROADS CONNECTOR ACTIVITY CENTER! *HENRY COUNTY INTRODUCES NEW LCI STUDY TO PUBLIC***

**McDONOUGH** – The Henry County Board of Commissioners and Planning and Zoning Services Division will commence a kick-off meeting with the public to introduce the County's LCI Study: Hudson Bridge-Jonesboro Roads Connector Activity Center. The study will address long-term needs identified by community stakeholders and Henry County citizens in order to develop a sustainable vision for the future. The meeting will provide an overview of the LCI planning process, announce opportunities for public input, and introduce helpful planning principles.

The kick-off meeting will be held at the Henry County Administration Building in the Community Meeting Room on **Tuesday, August 11, 2009, from 6:30 to 8:30 p.m.**

A project website has been established for citizens and stakeholders to follow the study progress, review plan documents and become involved in scheduled public outreach activities. You can access the project website at <http://www.henrycountylci.org>. The LCI program presents an opportunity for "Smart Growth" options within the study area. The success of the LCI Study is critical to the future quality of life for Henry County citizens.
