

Come share your ideas for the future at the . . .

# WINDER LCI COMMUNITY WORKSHOP

---

The Livable Centers Initiative (LCI) study will, with input from neighbors, community leaders, city officials, and stakeholders like you, develop a long-term vision for the future of central Winder. The community workshop is your chance to let your voice be heard!

- Explore results of the image preference survey from the August public kickoff meeting.
- Share comments and suggestions about issues and opportunities in central Winder.
- Learn about findings of the study to date.
- Have fun brainstorming areas for preservation and growth in Winder, and sketching ideas for change.
- Suggest specific ideas to be incorporated into the study.
- Participate in focus tables on such issues as:
  - *Transportation*
  - *Economic development*
  - *Historic neighborhoods*
  - *Downtown*
  - *The future of specific areas*

**Wednesday, October 7, 2009**

**6:00 - 9:00 p.m.**

**Winder Community Center**

**113 East Athens Street**

*Refreshments will be provided.*
